

Jensen Lakes is currently looking for certified swim instructors to conduct programs to our residents in a unique setting! The ability to swim is not only an enjoyable privilege, it is a life saving skill. Program dates and times will vary throughout the summer between operating park hours (9am-9pm). Please read the following for a description of what we are looking for.

Level 2 Aquatics Instructor:

- Develop and deliver program content to participants
- Prepare lesson plans and supporting instructional materials specific to your class
- Greet participants, conduct attendance, and ensure any required information is exchanged
- Provide a positive and valuable experience
- Deliver a high level of customer service in a safe environment
- Maintain individual records of all participants progression and distribute program evaluations

Qualifications Required:

- Swim Instructor (Part 1) or Red Cross Society Water Safety Instructor

Please note, the transition course must be successfully completed prior to employment. We look forward to meeting with you.
